Applicants should include a letter from their primary advisers, documenting the students' academic status and accomplishments.

- Applicants from JOIDES partner countries must include a letter of recommendation from their respective national ODP office.
- Undergraduate trainee staffing decisions are made by the Manager of the Science Services Department at ODP.
- The number and availability of trainee positions is dependant upon the predicted workload on each leg, the availability of berth space, and the availability of a mentor.

Please return this form, via your national ODP office, to:
